

Nominations sought for Winamac Community High School Inaugural Distinguished Alumni Class of 2018

The Eastern Pulaski Community School Corporation is seeking nominations for the Inaugural Winamac Distinguished Alumni Class of 2018.

Distinguished Alumni are graduates of Winamac Community High School/Winamac High School, Pulaski High School, or Star City High School (living or deceased) who have led successful lives while making substantial contributions to their chosen field of work or have provided outstanding service to their community, state, or country.

The Class of 2018 will serve as a vivid example for current and future students of what is possible for Eastern Pulaski/Winamac graduates. Individuals selected as Winamac Distinguished Alumni will be asked to share their experiences with current Winamac Community High School students when they are honored publicly in September.

To nominate a graduate for the Winamac Distinguished Alumni Class of 2018, go to the corporation website at www.epulaski.k12.in.us, Click on the Distinguished Alumni tab (under EPCSC main tab), then complete the online nomination form (preferred). Paper copies of the Winamac Distinguished Alumni nomination form are available from the office of any Eastern Pulaski school or the administration office as well as printable as a PDF from the website.

Nominations are due no later than May 1, 2018. Questions about the Winamac Distinguished Alumni may be directed to Superintendent Dan Foster by calling (574) 946-4010.
