Student Proficiency

This indicator measures student proficiency of grade-level standards in English/Language Arts and Mathematics at the school.

Student Growth

This indicator measures student growth toward proficiency at the school. Each student earns points based on the type of growth demonstrated (low growth, typical growth, high growth). Points are assigned using the growth to proficiency table. Schools can exceed 100 points on this metric.

Graduation and College and Career Readiness

This indicator measures student completion of Indiana graduation requirements within four years and five years at the school, and student credentialing indicating postsecondary readiness.
